Ryan Serhant To Manage Exclusive Sales at Pacific Park Brooklyn's 550 Vanderbilt

Brooklyn, NY (July 18, 2017) – Today, **Ryan Serhant** announced, in conjunction with **Greenland Forest City Partners**, that exclusive sales at Pacific Park Brooklyn's first condominium will be managed by his team at Nest Seekers International. THESERHANTTEAM will lead the sales and marketing of the remaining inventory at [550 Vanderbilt](#), the groundbreaking building that is a centerpiece of the 22-acre Pacific Park Brooklyn community. Designed by COOKFOX, 550 Vanderbilt is now available for immediate occupancy and is already established as one of the most successful new residential buildings in Brooklyn.

"I fell in love with 550 Vanderbilt the moment I saw it. The building is an architectural masterpiece. The master plan for Pacific Park, designed by Frank Gehry, is unlike anything else in New York; residents are literally living inside an 8-acre park, not just next to it. Owning at 550 Vanderbilt is a once-in-a-lifetime opportunity. I couldn't be happier to join Greenland Forest City Partners to offer the chance to own a home at the intersection of Brooklyn's best neighborhoods," said Serhant.

"Ryan Serhant and his team have proven to be creative and thoughtful leaders in marketing new luxury development throughout New York City, and they have a deep passion for Brooklyn and 550 Vanderbilt," said MaryAnne Gilmartin of Greenland Forest City Partners. "Ryan is joining 550 Vanderbilt at an exciting time, with the building coming to life as residents move in and the amenities get completed, and we know he will have great success in helping us finish out the project."

THESERHANTTEAM is the exclusive sales team for 550 Vanderbilt and can be reached for information and appointments at 646.480.7665 or serhantteam@nestseekers.com. Please visit www.550vanderbilt.com to view listings and building information.
